Work Experience

Courtside Market LLC

Mar. 2020 - Present

Sales & Marketing Associate

- Identify market and art trends by researching national retail product offerings and fashion and design trends to cater the wants and needs from customers to improve company positioning.
- Curated images that targeted each retail partner's customers (Kohl's, Macy's, QVC, etc).
- Communicated with and wrote sales letters to different retailers to sell.
- Assembled and merchandised various booths at trade shows and communicated with the prospective customers to sell a trending and seasonal product.

Marketing Choices

July. 2024 - Oct. 2024

Writing & Editorial Intern

- Write and publish in-depth articles focusing on marketing and advertising strategies, while providing in-depth analysis of key insights, advantages and challenges of each strategic approach.
- Leverage Search Engine Optimization (SEO) strategies by integrating targeted keywords to boost article visibility and expand consumer reach.
- Continuously monitor emerging marketing trends and consumer behavior to ensure content relevance and effectiveness.

Extracurricular Activities, Community Service and Leadership

Competitive International Tennis Player

- Recruited and received full scholarship to train at the United States Tennis Association (USTA) Player Development.
- Trained, competed, and excelled at national and international Junior Competitions in the USTA and the International Tennis Federation (ITF), respectively.
- Recruited by Brandeis University to represent the Brandeis Women's Tennis Team.

TAMID Group at Brandeis University

Jan. 2024 - Present

VP of Marketing; Project Manager; Consultant

- Lead the development and execution of marketing strategies to increase TAMID membership at Brandeis University.
- Drove engagement on various social media platforms through promotional initiatives, highlighting TAMID's professional development in consulting, technology, funding and education opportunities.
- Conducted competitive analysis on top players in the artificial intelligence industry to recommend strategies on an ongoing basis to our clients.
- Developed a marketing strategy to evaluate which states and companies are worth entering.
